Application for a Schengen Visa for travel to Kingdom of the Netherlands

Dear Sir or Ma'am,

I intend to travel to Amsterdam, Netherlands as a tourist between **November 2, 2017** to **November 7, 2017** and would like to obtain a Schengen travel visa. I am applying through your honorable consulate because Kingdom of the Netherlands will be my point of entry as well as the country that I will stay the longest.

After my visit to Netherlands I'll be heading to Belgium from November 7, 2017 to November 11, 2017 to explore other historical sights and museums in the region. My itinerary during my stay will be as follows:

Date	City	Accommodations	Activities
Nov 2-4, 2017	Amsterdam, Netherlands	NL Hotel district Leidseplein	Rijks, Van Gogh and Nemo Science Museums.
Nov 4-7, 2017	Amsterdam, Netherlands	Hotel Clemens	Anne Frank House, Boat Tour and Historical Sights
Nov 7-9, 2017	Bruges, Belgium	Martin's Brugge	Historical sights and Museums
Nov 9-11, 2017	Brussels, Belgium	Alma Grand Place Hotel	Historical sights and Museums

I am the bearer of all my travel expenses. I have booked my own flights and hotels. I have attached copies of my documents along with this cover letter as per the requirements posted for Schengen visa.

I trust you will find that everything is in order, feel free to contact me should you need any additional documents or information. Looking forward in visiting your beautiful country.

As a personal note, if in case I would be granted a Schengen visa by your honorable consulate. I would greatly appreciate it if you can grant me a multiple entry visa so I wouldn't need to apply for a new one on my upcoming trip to Germany on February 2018 and Iceland on June 2018. This will greatly save some time as well as save up some money.

Respectfully,

John Doe
